

Dear Parent/Carer,

I am absolutely delighted that your son/daughter will be joining us at our exciting new school, Oasis Academy Leesbrook. This school is brand new and will be based in temporary accommodation on Middleton Road, in a state of the art building until 2020, when we will move to our permanent home, just off Lees Road.*

We are absolutely committed to providing the very best experience for your child. We have a strong focus on developing the 'whole child', offering a robust academic programme of study, underpinned by a pastoral system and 'Cultural Enrichment' offer that supports the development of your child and nurtures their talent. We have an unwavering belief in the potential of your child and will do all we can to inspire, prepare and support them to pursue their future career and life goals. We are committed to ensuring that each and every member of our school community leaves as a positive leader and role model within the community, inspiring other students to be excellent and achieve success.

We are also committed to family. We are part of the Oasis Community Learning family; you may know our local Oldham schools, Oasis Academy Oldham who have seen huge success and development in the past two years and Oasis Academy Limeside, an outstanding primary Teaching School who supports other schools nationally to improve and get better. Family is so important to us; by joining our Oasis Academy Leesbrook family, we commit to working together; listening to each other with the core focus on ensuring that the best possible provision is in place for your child.

Joining Oasis Academy Leesbrook at this time is a really exciting and unique opportunity. Your child will get to grow with the academy and, along with yourselves, have the opportunity to contribute to key decisions that are made that will form a key part of our identity. As Principal of this Academy, I am so excited about this journey and am committed to us working together, as one community, one family, to ensure that Oasis Academy Leesbrook offers the best provision, support, guidance and rigour and ensures that every single child achieves their potential.
