Dear Parents/Carers,

Cultural Enrichment

After the Easter break we will be launching our Cultural Enrichment programme once again. At Oasis Academy Leesbrook we feel really passionate that the students have outstanding experiences outside of the classroom, helping to shape their education and future.

Cultural Enrichment provides an opportunity after school to take part in new activities and develop students holistically, ready for when they become future leaders in our community. These activities and clubs can further support their education, develop new skills or continue to feed their passions and interests.

Due to COVID restrictions we have re-modelled the programme making everyone as safe as possible. Each year group will be assigned a specific day and students will be expected to take part in one club per week. As always, we have ensured that they will be given a choice of clubs they can join. ***They will participate in these clubs with their family group, to ensure all students are COVID safe.*** We will continually keep you updated with information regards cultural enrichment as we receive guidance.

At Oasis Leesbrook we are extremely excited to be offering your child these opportunities once again. Please visit <https://www.oasisacademyleesbrook.org/learning/extra-curricular-clubs> to see the club options available for the students.
