Dear Parents/Carers,

Update: Transport to the new build

As you are all aware, we are due to move into our fantastic new build, just off Lees Road, on 9th November, 2020. We are aware that the Local Authority used the catchment area of the current, temporary, Middleton Road building during the admissions process which may render difficult with transport for students travelling to the new permanent site.

Therefore, I would like to take this opportunity to inform you we have been in consultation with Transport for Greater Manchester (TfGM) and they have arranged to deliver a service, the **829**, which will transport the students to the new site, this will start on 9th November, 2020. They are offering two morning services and one evening services. The places where the bus will be stopping to collect are outlined below:
