MCAS Parent Communication App

Dear Parent / Carer,

As part of our drive to improve our communication between home and school, we are moving to a new parent app called My Child At School (MCAS). You will receive a text containing your Username and Invitation Code.

This app will allow you to keep up to date with important notices as well as viewing your child's attendance, timetable and dinner money balance. It will also replace ParentPay, which will be deactivated on 31st March.

Please follow the steps on the back of this letter to set up the app on your mobile device by **Friday 18th February**.

If you have any problems downloading or logging into the app, please come into reception at the front of school or call us and we will help you to set up. Alternatively, If you would like a guide on how to use MCAS please contact reception and they will supply you with one via email or in person.

Yours Sincerely,

Sarah Livesey
