

Dear Parents and Carers,

As you are aware, Year 11 GCSE examinations are drawing to a close with many subjects having had all papers examined.

With this in mind, Year 11 students will be placed on personalised timetables from **Friday 17th June.**

From this date, students will only come into the academy for remaining examinations and revision lessons in science and will leave the building if not attending either of these. Please note that attendance to all revision sessions and examinations is compulsory and pupils are expected to fully adhere to all aspects of the school behaviour and uniform policy. Prom invitations will be withdrawn for any pupils failing to uphold standards of behaviour. Students are again reminded that future references for college, university and work places are all reliant on their behaviour and conduct right up until the end of their time at Leesbrook.

We will share this information and the personalised timetable with your child later today. A copy of the timetable can also be found with this letter and on our website.

If you have any questions or queries, please contact myself or Becky Dean our Examinations Officer in the first instance:

paul.jones@oasisleesbrook.org

becky.dean@oasisleesbrook.org

We will hold a leavers assembly following the MFL exam on Friday 17th June. This will provide an opportunity for pupils to say goodbye to staff and, as is traditional for school leavers, to also sign each other's shirts. A buffet will be provided for pupils before being dismissed (GCSE Portuguese candidates will remain in school).

Once all examinations are completed, we look forward to celebrating with Year 11 at Prom on 29th June, and of course welcoming pupils back into school to collect their GCSE results on 25th August.

In addition, we will welcome all of Year 11 back in the Autumn term of 2022 to celebrate their GCSE results and receive their certificates. Details of this event will be shared next academic year.

Yours faithfully,

Paul Jones

Deputy Principal – Quality of Education
