### **Family Forum Launch**

We held our first ever **Family Forum** on Monday 2<sup>nd</sup> December. It was wonderful to have so many families in attendance. The opportunity to meet with you all and share such important news on the Academies developments was so well received and the senior leaders and I, relished the opportunity to meet with you all and chat over refreshments after the formal part of the launch concluded. Congratulations to the family who won the raffle too!

Our **next Family Forum is scheduled for Thursday 13<sup>th</sup> February 2025** and the agenda has already been set based on your requests and expressions of interest, thank you so much for your input! This will be shared with all families early in the New Year along with an invite to attend.

### **Festive Newsletter**

Watch out for our cram-packed newsletter landing in your inbox towards the end of term! This will be a true celebration and reflection of all the amazing work and opportunities your children have experienced in what has been a fantastic term here at Leesbrook. So many new opportunities are now available to our students as the Academy grows. The newsletter will also feature important key contacts and support points for you to access, should you need to over the festive period.

### **Thankyou from the Leesbrook Team**

It has been an absolute pleasure to begin to meet, and get to know, so many families in my first term as Principal here at Leesbrook. Whilst we are on a journey of growth and development, I am thrilled to be leading staff and students at this wonderful school. Those of you who are getting to know myself and the team, may have started to feel a positive shift change in how the school community feels, so many students and families have expressed how proud they are to be part of our growing partnership.

My team and I wish you all the very best as 2024 comes to a close. We look forward to developing strong and meaningful partnerships with you in 2025. We are committed to supporting your child(ren) in having the very best educational experiences in, and beyond, the classroom so they can become the best version of themselves.

Yours Sincerely,
