## Strong start to January 2025

Dear Parents / Carers,

Happy New Year!

Despite weather conditions, we've had a really strong start to the term. Students returned well and we've had excellent assemblies every day this week. Thank you parents and carers for your understanding as we worked to ensure the site was safe for our school community.

Can I also take the opportunity to thank families for supporting your child to be ready to return:

- Uniform standards have been excellent. You can access our uniform and standards expectations here - <https://www.oasisacademyleesbrook.org/academy-life/uniform-requirements>
- Thank you for pre-loading your child's MCAS account, if they are not in receipt of Free School Meals. This means every child who is entitled or pays for a hot meal has been able to have one
- Please note our communication with you can only be effective if we have **up to date contacts numbers**. If you do need to let us know of a change of number, please inform us via [info@oasisleesbrook.org](mailto:info@oasisleesbrook.org).
- Thank you to the majority who have a school bag, equipment and planner. Please use the weekend to replenish these items so that your child is ready for school on Monday 13<sup>th</sup> January. Lost or defaced planners can be purchased via MCAS
- Breakfast Club has been well attended – a reminder this a FREE breakfast for all students every day from 7.30am – 8.10am

## Student Voice Survey

Next week, all students will have the opportunity to share their views on their Academy and the journey we are taking to improve our school. Please ensure your child brings to school their **iPad fully charged on the day of their assembly**.

Monday – Year 11  
Tuesday – Year 10  
Wednesday – Year 9  
Thursday – Year 8  
Friday – Year 7

We are aware that, for some students, iPads are currently inaccessible – please be assured your child will have a paper version of the student survey to complete so that they can have a voice.

### **Extra-Curricular Activities**

Extra-Curricular Activities provide an opportunity after school to take part in new activities. All students are encouraged to attend two clubs per week but there is no limit to how many activities they can experience with many different clubs to choose from. The more clubs they attend the better! We offer a range of different activities each day from physical activity, languages, STEM clubs to choir, craft club and debate. Please look at what is available via this link
