

Dear Parent/Carer,

In the lead up to the GCSE Examinations, and as part of our commitment to raising achievement, we have set up targeted revision sessions over the half term holiday.

This is a fantastic opportunity for your child to work with specialist staff to improve their preparations for their pending GCSE Examinations. These extra classes have had a significant impact on the results of those students who have attended in previous years.

All students will remain on site throughout the day for the revision sessions. If they are staying for the whole day, they will need to bring a **packed lunch and refreshments**.

The behaviour of our students in Year 11 is exemplary. But as ever, we will be upholding our high expectations in terms of behaviour. Should a student behave inappropriately, you will be contacted, and your child will be asked not to attend for the remainder of the holiday.

I trust that you will support us in ensuring that your child attends these revision sessions. We certainly believe it will improve their chances to reach or surpass their potential.

We would like to thank you in advance of your support in working with us to ensure that your child achieves their very best.

Please do not hesitate to contact Mr. Kolbuck if you have any further questions or queries.

Yours sincerely
