

Dear Parents/Carers,

**Oasis Academy Leesbrook: Update on the progress of the new building**

I hope that you and your families are well during these difficult times.

I am writing to you to update you on the progress of the new Oasis Academy Leesbrook building. Due to disruption caused by the COVID-19 pandemic, we have been informed by the Department for Education that the opening is to be delayed slightly.

The revised proposed opening date of the new building will be **Monday 9<sup>th</sup> November**. Fortunately, we are able to stay in our current building on Middleton Road in September and for the first half term until our final day there on **Friday 23<sup>rd</sup> October, 2020**.

Please be assured that this delay will not cause any disruption to the teaching and learning we provide to all of our students, and we will continue to have the highest of expectations for everyone.

In order to address the delay and ensure that the move to the new building goes smoothly, we have revised our term dates. Please see below:

Friday 23 <sup>rd</sup> October - 8 <sup>th</sup> November, 2020	Half Term Break
Monday 9 <sup>th</sup> November, 2020	All students return (new building)

Please visit our website page for full details regarding the academy term dates

We share in your disappointment that due to circumstances out of our control that the opening we are all so looking forward to will be delayed. Our priorities now are to ensure that the education provision continues to be excellent, and that the building meets all of our expectations. We have a good relationship with the Department for Education and our builders, Galliford Try, and we are in continuous contact for updates.

If you would like to follow the progress of our build, please follow us on Facebook or Twitter. Alternatively, please check the school website for updates and news

As always, I appreciate your continued support and cannot wait to welcome all of our students and families back to Leesbrook in September, and into our new building in November.

Take care and stay safe.
